Wellington Cricket Club Policy Statement

Changing Rooms and Showering Facilities

- This policy is designed for times when adults and children will be sharing changing and showering facilities.
- Adults should try to change at separate times if using the same facility as children; this covers activities such as changing before, during and after a game (dressing for a game, padding up and disrobing after a game).
- Parents/Guardians/Carers will be informed of a season's changing procedure before it commences and may opt out of their male child(ren) changing with adult players.
- If this is the case then children covered by this decision will be recorded as doing so.
- Where female players are concerned – regardless of age – separate changing facilities will always be provided.
- Mobile telephones are not permitted to be used in any part of the Club's changing or showering facilities.
