Wellington Cricket Club Policy Statement

Photography and Video Camera Guidelines

- The Club recognises the benefits that imagery can make to the development of young players and the use it has when marking milestones in a young player's career, but there are a number of safeguards that will be put in place to protect young players from any violation of these positive aims.
- It is Club Policy that photography of the Club's youth players will only be conducted with the prior permission of Parents/Guardians/Carers.
- Such permission will be sought pre-season and will be recorded.
- Children who have opted out of such should inform their Team Manager or Captain before the photo session commences of their Parents/Guardians/Carers wish.
- The Club will work with local media partners to ensure that the identities of young players are protected in the visual form.
