Wellington Cricket Club Policy Statement

Behaviour of Members

All members of the club shall exhibit appropriate behaviour at all times.

This applies both when playing the game and not.

Such behaviour is encapsulated in the various policies and advice contained in the ECB's Code of Conduct, which incorporates the Spirit of Cricket, and by the Laws of the Game.

The Club Constitution stresses this important element under Section 2 – Aims and Objectives and Section 8 – Conduct of Members.

In addition, the Club endorses the ECB's Safe Hands policy in this respect and all members are required to comply with this.

Specific reference is made here to the relationship between adults and children as explained in this document under items 21, 23, 24 and 27.

These documents are displayed on the Club notice board and all members should therefore familiarise themselves with these policies and act accordingly.
