

Wellington Cricket Club

Role Opportunity

Sponsorship Officer

To support the Club's continued growth and to support its strategic aims for 2021 and beyond the Management Committee is looking to recruit a Sponsorship Officer that will take the current portfolio of Sponsors, consolidate it and then take it to the next level through a process of working with those currently associated with the Club to see what new layers can be added to existing relationships and identifying and capturing new opportunities for all sections of the Club.

Offering Sponsors an online presence within the Club's multiple suite of websites and continually maintaining this content would be a feature of this role as well as being the core contact for all sponsorship related matters for both the Management Committee and individual Sponsors.

If you are interested in this voluntary role that will give the post holder a position on the Management Committee then please contact Club Administrator David Derrick via e-mail at david230275@gmail.com or dderrick@kdc-swallowfield.com in the first instance.
