- **League Fixtures – When a league fixture is cancelled for any reason other than the weather the result is recorded as a ‘win by default’ for the non-offending team.**

1.1 – Season's Report

2004 was the 1st XI's second season back in the Somerset League after the unsuccessful foray into the WECCC and was another season when, arguably, only a modest return was achieved.

Of seventeen matches played (there was one cancellation) six were won and eleven lost and a final position of seventh (down one on the previous year's showing) was below par on what the team was capable of for sure.

Reaching the semi-final of the Baker Cup for the first time since 1997 was a high point though.

In Mark Salter and Rob Moysey the team have a most durable opening partnership and their combined aggregate of 1059 runs for the season was an excellent show.

Thom Trott and Simon Rudd, the eventual winner of the batting award, performed admirably in the middle order and Stuart Currall, in his first full season, showed his adaptability on several occasions.

Alec Short's wicket keeping has come on again this past season and it is encouraging to know that, even though he has now gone away to college, he will be available for the majority of the 2005 season despite his studies.

Perhaps the most disappointing aspect of the season under review was the bowling. Despite the memorable hat trick completed by John Paine against Street on July 17th only one player achieved the qualifying standard for this discipline and not once did we bowl a side out.

It could be argued that we never really ever had our first choice attack available to us at any point during the season due to other commitments though.

To think what might have been is probably the best epitaph for 2004 and we go forward, knowing that there is scope for improvement in 2005.

(a) – The SCL was formed in 1973. Wellington 1st XI joined in 1974.

(b) – The SCL removed the title of ‘Premier Division’ in the 1993 close season and thus all divisions were downgraded by one, so that the old Division One (which the 1st XI were in) became the new Division Two. These changes took effect from the start of the 1994 season.

(c) – Despite finishing in a relegation position in 1995, the 1st XI retained their Division Two status because of the withdrawal of Uphill Castle and Claverton in the 1995 close season. Both these teams left Division One, which meant that no teams were relegated from that division and consequentially none

from Division Two either. The only movement of teams was that of Watchet and Ilminster from Division Two to Division One and that of Lydford and Whitchurch from Division Three to Division Two.

(d) – Due to the formation of the WECCC in 1999 the SCL underwent another re-organisation of the 1st XI competition. This change meant that the 1st XI was in Division One from the 2000 season.

(e) – Despite finishing in a relegation position in 2001 the 1st XI retained their WECCC status because of geographical anomalies in other parts of the 'pyramid' structure. The only movement of teams was that of Westlands upwards to the Western Alliance by virtue of their winning of the WECCC (Somerset) division and that of Winscombe to replace Westlands by virtue of their winning of the SCL.

2 – 2nd XI 2004

2.1 – Season's Report

Anyone who thinks cricket is a boring has obviously never played, at least not for Wellington 2nds!

Can any player who has represented the club at this level this season say that they have not experienced every possible emotion? If he can then maybe he should question his commitment for, having been privileged to captain a side which has used 26 players over 18 games, I have felt frustration, elation, anger, joy, pain and, finally, great satisfaction at an objective achieved.

Frustration – at being unable to select the same eleven two weeks running.

Elation – Following the run-out to give us the last wicket in the win at Taunton St Andrews.

Anger – At myself and others after elementary lapses in the field or with the bat (this feeling wasn't allowed to dwell thanks to team-mates shaking me out of it).

Joy – After the first win of the season.

(The) Pain – of a dropped chance off of my own bowling against Staplegrove, a game we were desperate to win to avenge the embarrassment of a nine-wicket defeat to our local rivals earlier in the season.

Finally the immense satisfaction felt after a great win in our final fixture at Butleigh, not only avoiding the drop, but also chasing down 209 runs to make it impossible for Brent Knoll to catch us.

In fact I felt all the above in that fixture alone!

Thanks must be recorded; firstly to James Dyke, a vice-captain whose enthusiasm and good humour never diminished, win or lose. Continue teaching – you can be a great success, but never stop playing cricket, the most important part of the weekly curriculum! And to Roy Hutchings who has once again proven that there is no substitute for line and length or a bloody good laugh! Thanks also for your literary assistance.

A few words to Alex Sparks and Guy Murray who have remained regular members of the side throughout the season and have acquitted themselves well. I hope you have both enjoyed the experience of senior cricket. You have natural ability and it is our duty as a club to see that you, and other youth, have the opportunity to continue playing – at Wellington CC.

Congratulations must go to Adrian Lee for two of the most memorable performances of the season; 6-18 with the ball and then 60no with the bat – well played!

Finally my thanks to all who have shared the past season, a few games or all, young or not so young, successful or not quite so, clowns or simply jugglers?

4.1 – Season's Report

In 2004 the Sunday XI had a new challenge in that we would be competing in the newly formed Division Two of the Three Counties Sunday Cricket League, which meant that there would be six league games sitting alongside the regular friendly fixtures.

The friendly side of the season, still the predominant part of the Sunday fixture list, saw some good performances, notably the only two hundreds of the senior season (Alec Short at Knapp and Thom Trott at home to Bagborough), yet despite all this only two games were actually won in league or friendly in the first half of the season. Yet after a cracking win at Weymouth on the first day of August the team did not lose again for the rest of the season.

A record of five wins and a tie from six league games ensured the divisional title and promotion at the first attempt, so new challenges await us in division one of this competition in 2005.

Rob Moysey was the team's outstanding performer with 530 runs and 31 wickets in what was a golden Sunday season for him and the fact that many of our under 15s played some part in the season makes it all the more beneficial to have a full Sunday fixture programme, something that just does not happen at some bigger clubs.

I must thank my vice-captain Alec Short for his two years in the job; he has been a constant ally in all things Sunday during this time and also to Penny Hartnell and Jenny Walker for their tea services for the umpteenth year – thanks to you both as always.

Sunday cricket is still alive and well at WCC and long may this continue.

Season's Review

The most pleasing aspect of this season's SCCC indoor league was that the team achieved its aim of consolidation by securing a mid-table position without too much fuss and bother.

To be in the knockout cup final was a nice bonus for all the efforts of a season.

The season's statistics show that the overall performance of the team was solid and not spectacular.

Not one all-time statistic, either collective or individual, was broken during the 2003-2004 season, but after the bust and boom of the last two indoor seasons, perhaps it was just nice to have had a steady campaign!
