Note – The following definition is used throughout this book when defining a cancelled fixture,

- **League Fixtures – When a league fixture is cancelled for any reason other than the weather the result is recorded as a ‘win by default’ for the non-offending team.**
- **Non-League Fixtures – When a non-league (i.e. friendly) fixture is cancelled for any reason other than the weather the fixture is expunged from the records.**

## **Chairman's Foreword**

The 2005 season was an undoubted success both on and off the field.

The Saturday 1<sup>st</sup> XI could well have finished in second position, but for the fact that two of the first three games were washed out.

Those games were against the two relegated sides.

As it was we finished fifth in the Shrubbery Hotel Somerset League Division One winning eight games.

Our batting star was Richard Das Neves, a likeable 18-year-old South African who played all but one competitive game for the club and broke the club's individual runs in a season record with 1638 runs.

He was also a useful off-spin bowler and it was in the spin-bowling department that the first team had an advantage over many of our adversaries.

The captain, Rob Moysey, had a wonderful season, both with bat and ball.

He achieved 10,000 runs for the club on 25<sup>th</sup> June.

The 2<sup>nd</sup> XI also had an excellent season under the guidance of a new captain in James Dyke and achieved ten victories and finished in 4<sup>th</sup> position in the Shrubbery Hotel Somerset League Reserves Competition Division Two.

There were some amazing scores with three centurions and a wonderful team spirit.

Congratulations, James!

Once again there was a full Sunday fixture list including the Pulman's League where we finished in fifth position in Division One, following our promotion last year.

First division status is therefore retained for 2006.

Socially we had a wonderful Summer Ball, a very well supported Federation of Sports Clubs Summer Spectacular and, before the start of the season, a first ever floodlit game when we lost narrowly to the Soccer Club.

Club Day was the usual success and we also took part in the inaugural Federation of Sports Clubs Awards Dinner last November when lifetime achievement awards were granted to Dennis and Margaret Fullstone, Ralph Buttle and Ben Trott.

As ever, I thank David Derrick for all the statistical work which has brought this gargantuan document together and which must be surely the envy of all of the clubs in Somerset, if not much further beyond!

### **1.1 – Season’s Report**

The season just passed was one of strong home performances (only one defeat) and poorer away performances (only one win).

This encapsulated the season perfectly as such as a season, which had a certain symmetry saw us, finish in fifth place in Division One of the Somerset League. Only Chew Magna left Courtland Road with a win, but the only place where we left with a win from was Chew Magna!

Undoubtedly losing the first two away matches of the season to the weather didn’t help as these matches (against Whitchurch and Taunton Outcasts) were against the sides that ended up been relegated and, having disposed of them easily at home, we would have been confident of doing likewise away from home.

Richard Das Neves was without doubt the star of the season with the bat, in a season of strong batting performances all round.

Our spin bowling capacity was the strongest in the division and was a potent weapon when called on.

The team can improve on it’s 2005 showing with a concerted effort in two areas – namely (a) away from home and (b) by improving the showing of the pace attack.

Gaining promotion back to the Somerset Division of the WECCC has to be the goal.

(a) – The SCL was formed in 1973. Wellington 1<sup>st</sup> XI joined in 1974.

(b) – The SCL removed the title of ‘Premier Division’ in the 1993 close season and thus all divisions were downgraded by one, so that the old Division One (which the 1<sup>st</sup> XI were in) became the new Division Two. These changes took effect from the start of the 1994 season.

(c) – Despite finishing in a relegation position in 1995, the 1<sup>st</sup> XI retained their Division Two status because of the withdrawal of Uphill Castle and Claverton in the 1995 close season. Both these teams left Division One, which meant that no teams

were relegated from that division and consequentially none from Division Two either. The only movement of teams was that of Watchet and Ilminster from Division Two to Division One and that of Lydford and Whitchurch from Division Three to Division Two.

(d) – Due to the formation of the WECCC in 1999 the SCL underwent another re-organisation of the 1<sup>st</sup> XI competition. This change meant that the 1<sup>st</sup> XI was in Division One from the 2000 season.

(e) – Despite finishing in a relegation position in 2001 the 1<sup>st</sup> XI retained their WECCC status because of geographical anomalies in other parts of the ‘pyramid’ structure. The only movement of teams was that of Westlands upwards to the Western Alliance by virtue of their winning of the WECCC (Somerset) division and that of Winscombe to replace Westlands by virtue of their winning of the SCL.

## **2 – 2<sup>nd</sup> XI 2005**

### **2.1 – Season's Report**

The 2<sup>nd</sup> XI recorded it's best finish to a season since achieving it's best ever final position of fifth in Division One of the SCL Reserves competition back in 2001, but although successful overall there were still difficult times encountered that had to be dealt with during the season just passed when the side had to contend with the cancellation of two successive home matches in late June and mid July.

It appeared that the two defaulting teams in question never had any intention of fulfilling their fixtures with us and this has prompted us, as a club, to file a proposal through to the SCL to increase the penalties levied on clubs who pull out of matches where they are unable to raise teams – after all all we all wish to do is to play cricket. There were issues of conduct during an away match in June and this was another issue that had to be dealt with accordingly.

But on to the season just passed itself and it was one that saw the team unbeaten throughout the second half of the campaign as fourth place was secured and for a while the possibility of promotion had to be faced up to.

Only four reverses were suffered during the 2005 season and two of these results could definitely have gone in our favour.

With the bat there were some extraordinary performances as an overall club record stand of 263 (unbroken) was posted in one game and a total of 300 was achieved by the team for the first time in it's league history in another.

Twice during the course of the season the team's overall highest ever total for was surpassed.

The bowling proved to be penetrative and the wickets were shared amongst all the team's major bowlers.

Again the team adopted a policy of youth inclusion as and when it could and such players profited from this.

The season ended in a most exhilarating manner as well over 200 runs were chased to win the last match and this was a fitting way to end a successful season for the club's 2<sup>nd</sup> XI.

## **4 – Friendly XIs (Sunday & Midweek XIs) 2005**

### **4.1 – Captain’s Report**

2005 saw another successful season for the club’s Sunday XI and increased success for the Midweek XI as well.

Of the 19 Sunday XI fixtures that were played ten were won with only five losses been recorded (four of these came towards the end of the season), indeed during the calendar year 1<sup>st</sup> August 2004 – 31<sup>st</sup> July 2005 the Sunday XI was unbeaten in friendly competition and lost only one match in all competitions during this time frame.

The latter part of the season saw four losses in six, but this was not significant in the overall scheme of things.

A first season at Division One level in the Three Counties League was enjoyed at the discretion of the club as and when fixtures could be agreed between member clubs. All our fixtures at this level were played away from home and we got a chance to sample cricket at some new grounds such as Axminster and some long lost ones such as Sidmouth.

The emphasis encountered in Division One of this competition was in marked contrast to that we had seen a year before in Division Two, which we won to get to this level. Whereas previously the youth development concept of the league was used by all clubs with three, four and sometimes the full complement of five youth players been utilised, the season just passed saw some of the matches played been used more for ‘points and prizes’ reasons by some of the clubs that we played and thus you were left wondering if this ideal was been more than just a little left behind in the selection policies of the clubs in question, but we stayed loyal to the youth development idea of the league and we look forward to another season at the top level that this competition can offer.

The Midweek XI had a programme that constituted only four matches (two afternoon and two evening fixtures) and three of these four matches were won.

A firm strategy is in place to increase Midweek XI activity back to the level that it was involved in not so many years ago and I sincerely hope that the 2006 programme for this team will be a healthy looking one.

There were many fine performances for both the Sunday XI and the Midweek XI in 2005 that they are too numerous to mention here, but we continue to play a full set of fixtures at our club and long may that continue.

I know that myself, Alec and Rupert appreciated very much all the efforts of everybody who played and assisted with the sides that were run under this section’s banner in 2005.

<i>North Curry</i>	<i>6</i>	<i>0</i>	<i>6</i>	<i>0</i>	<i>7</i>	<i>13</i>	<i>20</i>

- North Curry withdrew after playing only six games. Teams who had played them kept the result and the points gained against them. Teams who had not played them were awarded a win equal to the average points they had gained per fixture at the time of their withdrawal, the final table was thus decided over fifteen matches. Their record is retained in the table for the sake of completeness.
