## **1 – 1<sup>st</sup> XI 2010**

### **1.1– Season’s Report**

What a season to look back on – the perfect comeback after the disappointments of 2009.

An excellent return on the strategy of using younger players wherever possible and this saw many of the Under 15s side and others really cut their teeth at this level and we expect them to continue their development in 2011.

The team had a great mix of experience, new heads and vibrant youth and but for two back to back losses in June against the two promoted sides we would have been SCL champions for 2010, but that should not detract from a fine season all round, let the statistics do the talking.

## WELLINGTON CC

REFORMED 1946  
PRESIDENT  
R J Hutchings

- (a) – The SCL was formed in 1973. Wellington 1<sup>st</sup> XI joined in 1974.
- (b) – The SCL removed the title of ‘Premier Division’ in the 1993 close season and thus all divisions were downgraded by one, so that the old Division One (which the 1<sup>st</sup> XI were in) became the new Division Two. These changes took effect from the start of the 1994 season.
- (c) – Despite finishing in a relegation position in 1995, the 1<sup>st</sup> XI retained their Division Two status because of the withdrawal of Uphill Castle and Claverton in the 1995 close season. Both these teams left Division One, which meant that no teams were relegated from that division and consequentially none from Division Two either. The only movement of teams was that of Watchet and Ilminster from Division Two to Division One and that of Lydford and Whitchurch from Division Three to Division Two.
- (d) – Due to the formation of the WECCC in 1999 the SCL underwent another reorganisation of the 1<sup>st</sup> XI competition. This change meant that the 1<sup>st</sup> XI was in Division One from the 2000 season.
- (e) – Despite finishing in a relegation position in 2001 the 1<sup>st</sup> XI retained their WECCC status because of geographical anomalies in other parts of the ‘pyramid’ structure. The only movement of teams was that of Westlands upwards to the Western Alliance by virtue of their winning of the WECCC (Somerset) division and that of Winscombe to replace Westlands by virtue of their winning of the SCL.

## **2 – 2<sup>nd</sup> XI 2010**

### **2.1– Season’s Report**

The real success story of the season for me – things could not have been tougher in 2009 both on and off the field of play, so to bounce back as we did was a fine achievement.

A great mix of senior and junior, experience and potential was the underlining factor in 2010 and these quantities combined well to achieve as high a position in the new SCL structure as we could have hoped for.

Well done to all – sit back and enjoy the numbers!

## **4 – Sunday and Midweek XIs 2010**

### **4.1 – Season's Report**

The return of a league component to our Sunday schedule was a welcome thing and one that proved a successful too as we achieved a promotion.

The mix of player was right and the balance of player type was right too.

Good non-league matches complimented the league side of things for the Sunday side and there were always good games played.

Again a great cross section of player was able to play in these games and the interaction between all types of player was great to see.

Our Midweek schedule was a good mix of 20/20 and afternoon matches; it was slightly tainted by a couple of tours not taking place in the end due to available numbers, but this did not detract from a good season.
